## A bit about us...

Welcome to the Garden and Craft show of Waimate. We are a small group of volunteers who want to celebrate the produce and creative arts of local people. The show was formerly known as the Knox Church Flower Show and the Autumn Flower show. We would welcome new exhibitors and really appreciate the help and support that people of the local community bring to us and this show. There are lots of awards, but the best part is seeing all of the exhibits on show together. It makes a spectacular display. We are in a new venue for 2022 - the Waimate Museum Machinery Hall (Bookarama building).

Entry is simple. There is no cost to you but your time. E-mail your information to the contact address listed at the back of the programme. List the Class number and the number of entries in that class, each on a new line, and add the dimensions if required (width x depth), then send. Easy!

If you don't have e-mail, phone through your list to one of the contacts listed at the back of the programme by the time specified.

Just before the show, please contact us again if you are NOT going to enter some items.

Bring along your exhibits on the night before or on the morning of the show. Except Photographs, which need to be in a little earlier.

Come along after judging has been completed and see if you have won any points.

The people with the most points get to take home a trophy for the year.

Thank you from the Garden and Craft show committee:

**Patrons:** Mrs Jean White, Mr Alex Norton, Mrs Joan Norton

**President:** Lindsey Willoughby      **Vice-President:** Lex Young

**Secretary:** Lynne Wild                      **Treasurer:** Heather Sell
